EDUCATION

Toulouse School of Economics

2026–Present

M1 Applied Economics

Aryabhatta College, University of Delhi

2022–2026

B.A. (Hons. with Research) in Economics, Minor in Mathematics

Selected coursework: Advanced Econometrics, Introduction to Causal Inference, Optimization Methods for Economic Analysis, Environmental Economics, Forecasting Methods for Economics, Real Analysis.

RESEARCH INTERESTS

Environmental Economics, Energy Economics, Ecological Economics, Climate Change, Applied Econometrics, Economic Geography.

RESEARCH EXPERIENCE

Undergraduate Thesis

Aug 2025 – May 2026

Carbon Emissions in Africa: EKC and Regional Integration

Supervisor: Prof. Deepika Goel

This thesis examines the long-term relationship between carbon emissions and regional integration in Africa.

- Scored Outstanding (10/10) in both semesters.

PRESENTATIONS

Carbon Emissions in Africa: EKC and Regional Integration

April 2026

Undergraduate Research and Entrepreneurship Exhibition (UGREE), University of Delhi.

PROJECTS

Cartel-Fringe Resource Model (Julia/JuMP) ([GitHub](#))

Built a T-period resource-extraction model in the Salant (1976)/Hotelling (1931) tradition using Julia/JuMP. Added a complementarity formulation for fringe supply and simulated how alternative carbon-tax paths affect extraction timing.

INR/USD Macroeconomic Analysis: OLS and VAR (R) ([OLS](#) | [VAR](#))

Analyzed monthly INR/USD movements, inflation, and industrial activity in R. Rebuilt the original levels OLS (127 observations) as a stationary specification after unit-root diagnostics, and extended the work into a VAR of exchange-rate and inflation changes with the IIP growth cycle (75 observations). Used ADF/KPSS and bootstrap unit-root tests, ARDL bounds tests, block Granger tests, and Newey-West inference.

SKILLS

Languages: Hindi (Native), English (Fluent)

Technical Skills: R, Stata, EViews, Tableau, LaTeX, Git/GitHub, Excel, Typst, Julia (JuMP), Numerical Optimization.

LEADERSHIP AND SERVICE

Vice President, Placement Unit, Department of Economics

Sep 2025 – Apr 2026

Aryabhatta College, University of Delhi

Established and led the unit to connect economics students with internship and career opportunities.

Editor-in-Chief, Mind Over Matter (Economics Society)

Oct 2024 – Aug 2025

Aryabhatta College, University of Delhi

Led the editorial team, managing content strategy, publication processes, and project communications.
