EDUCATION

Aryabhatta College, University of Delhi

2022 - 2026

Bachelor's Degree in Economics with Honors, Minor in Mathematics, CGPA: 7.62 / 10.0

RESEARCH INTERESTS

Environmental Economics, Ecological Economics, Climate Change, Applied Microeconomics, Econometrics.

WORK EXPERIENCE

Mutual Funds Distributor (Self-Employed), Delhi, India

May 2024 - Present

Advise clients on mutual fund investments based on financial goals & risk assessment.

ACADEMIC PAPERS AND PROJECTS

Honors Dissertation (Working Paper): *Integrating a continent, greening a future?*

Developing a panel dataset for African economies covering the period 2006-2022 and testing whether regional integration and environmental co-operation between African economies combat CO2 emissions per capita.

VAR Modeling of Macroeconomic Data (R) ([GitHub](#))

Modeled short-run dynamics between exchange rate, inflation, & output gap using a Vector Autoregression (VAR) model with robust inference. This is strictly a coding exercise and may have mistakes.

Econometric Analysis of INR Exchange Rate (R) ([GitHub](#))

Investigated CPI & Output Gap impact on INR exchange rate using R time series models; analyzed policy implications.

Music Data Exporter (Python) ([GitHub](#))

Developed Python script using Last.fm API for automated music data extraction, processing, & export.

QS Rankings Analysis (Tableau) ([Tableau Public](#))

Created interactive Tableau dashboard visualizing & analyzing university ranking data.
