## EDUCATION

---

**Aryabhata College, University of Delhi**  
Bachelor's Degree in Economics, Minor in Mathematics

2026

## RESEARCH INTERESTS

---

Environmental Economics, Ecological Economics, Climate Change, Applied Microeconomics, Applied Econometrics.

## WORK EXPERIENCE

---

**Mutual Funds Distributor (Self-Employed)**, Delhi, India  
Advise clients on mutual fund investments based on financial goals & risk assessment.

May 2024 - Present

## ACADEMIC PAPERS AND PROJECTS

---

**Undergraduate Thesis:** *Carbon Emissions in Africa: EKC and Regional Integration*

This study aims to understand whether a long-term co-integrating relationship exists between Regional Integration and Carbon Emissions, while also testing for Environmental Kuznets Curve for our sample of nine countries for the period 2006 to 2022.

**VAR Modeling of Macroeconomic Data (R)** ([GitHub](#))

Modeled short-run dynamics between exchange rate, inflation, & output gap using a Vector Autoregression (VAR) model with robust inference. This is strictly a coding exercise and may have mistakes.

**Econometric Analysis of INR Exchange Rate (R)** ([GitHub](#))

Investigated CPI & Output Gap impact on INR exchange rate using R time series models; analyzed policy implications.

**Music Data Exporter (Python)** ([GitHub](#))

Developed Python script using Last.fm API for automated music data extraction, processing, & export.

**QS Rankings Analysis (Tableau)** ([Tableau Public](#))

Created interactive Tableau dashboard visualizing & analyzing university ranking data.

## POSITIONS OF RESPONSIBILITY

---

**Co-Founder & VP, Placement Unit (Economics Dept.), Aryabhata College** Sept 2025 - Apr 2026
