## WORK EXPERIENCE

---

**Mutual Funds Distributor (Self-Employed), Delhi, India**

May 2024 - Present

Advise clients on mutual fund investments based on financial goals & risk assessment.

## PROJECTS

---

**VAR Modeling of Macroeconomic Data (R)** ([GitHub](#))

Modeled short-run dynamics between exchange rate, inflation, & output gap using a Vector Autoregression (VAR) model with robust inference. This is strictly a coding exercise and may have mistakes.

**Econometric Analysis of INR and Exchange Rate (R)** ([GitHub](#))

Investigated Consumer Price Index & Output Gap impact on INR exchange rate using R time series models; analyzed policy implications.

**QS Rankings Analysis (Tableau)** ([Tableau Public](#))

Created interactive Tableau dashboard visualizing & analyzing university ranking data.
