/ Defended / Presented at UGREE 2026

WORK EXPERIENCE

Mutual Funds Distributor (Self-Employed), Delhi, India

May 2024 - Present

Advise clients on mutual fund investments based on financial goals & risk assessment.

PROJECTS

VAR Modeling of Macroeconomic Data (R) ([GitHub](#))

Modeled short-run dynamics between exchange rate, inflation, & output gap using a Vector Autoregression (VAR) model with robust inference. This is strictly a coding exercise and may have mistakes.

Econometric Analysis of INR and Exchange Rate (R) ([GitHub](#))

Investigated CPI & Output Gap impact on INR exchange rate using R time series models; analyzed policy implications.

QS Rankings Analysis (Tableau) ([Tableau Public](#))

Created interactive Tableau dashboard visualizing & analyzing university ranking data.
