EDUCATION

Aryabhatta College, University of Delhi

2026

Bachelor's Degree in Economics, Minor in Mathematics

RESEARCH INTERESTS

Environmental Economics, Ecological Economics, Climate Change, Applied Microeconomics, Applied Econometrics.

WORK EXPERIENCE

Mutual Funds Distributor (Self-Employed), Delhi, India

May 2024 - Present

Advise clients on mutual fund investments based on financial goals & risk assessment.

RESEARCH EXPERIENCE

Undergraduate Thesis: *Carbon Emissions in Africa: EKC and Regional Integration*

This study aims to understand whether a long-term co-integrating relationship exists between Regional Integration and Carbon Emissions, while also testing for Environmental Kuznets Curve for our sample of nine countries for the period 2006 to 2022.

PROJECTS

VAR Modeling of Macroeconomic Data (R) ([GitHub](#))

Modeled short-run dynamics between exchange rate, inflation, & output gap using a Vector Autoregression (VAR) model with robust inference. This is strictly a coding exercise and may have mistakes.

Econometric Analysis of INR and Exchange Rate (R) ([GitHub](#))

Investigated CPI & Output Gap impact on INR exchange rate using R time series models; analyzed policy implications.

QS Rankings Analysis (Tableau) ([Tableau Public](#))

Created interactive Tableau dashboard visualizing & analyzing university ranking data.
